EMPLOYMENT HISTORY

Working Mass, Contributing Writer - Massachusetts Politics Dec 2025 – Present

- Writes one investigative article per month on local politics and labor
- Conducts on-the-ground reporting and interviews sources
- Examines public records and documents obtained through FOIA requests to find stories and supplement reporting

ConsumerAffairs, Freelance Data Reporter Apr 2024 – Feb 2025

- Produced multiple stories per month on strict deadlines covering topics sourced from publicly available data and internal surveys
- Collaborated with team of journalists to brainstorm unique angles for stories and Datawrapper charts
- Cleaned and organized massive datasets in Excel to streamline analysis and visualization

Denver Business Journal, Data Reporter Jun 2022 – May 2023

- Collected and analyzed company and industry data to produce weekly industry lists using public documents, surveys, and other relevant sources
- Covered the cannabis beat, interviewed sources, and crafted data driven content for print and online publication
- Led design of infographics to visualize findings and support other reporters' work

InnoLead, Data Journalist Intern May 2021 – Aug 2021

- Created interactive data visualizations with Tableau
- Utilized HTML and CSS to design and embed visualizations
- Pitched and wrote stories covering business innovation
